## **Your Opportunity to Participate in CPC's Leadership Process**

This fall our congregation will again elect Elders and Deacons to lead us for the coming years. CPC's Nominating Committee has already begun its work, but it needs your help. We are inviting you to prayerfully consider yourself or other CPC members for one of these positions; then please complete the form on the back of this page and return it to the CPC Office or the wooden box at in-person worship .

Our Presbyterian Book of Order focuses on some specific qualities that may be helpful to you in your consideration of members for these nominations:

Church Involvement: Attendance at worship, participation in church activities, offices held, and services rendered to others.

Christian Living: People who love God; are committed to Jesus Christ as Lord and Savior; and whose energies, intelligence, imagination, and love are dedicated to building a strong witness in our community and the larger world.

Not perfect people, but those with a willingness to learn, to be open to new ideas, have a maturity of judgment, and most important.....are willing to be led by God in leadership and servanthood.

**THANK YOU SO MUCH FOR BEING A PART OF THIS VERY IMPORTANT MISSION AT CPC!**
